Sub: FOR THE POSITION OF IT EXPERT

Sir,

I am writing to apply for the post, mentioned above, in your prestigious College because my education and experience closely parallel your standard and requirements.

I have done graduation in Computer Science maintaining good grades throughout my academic career with almost two-year experience of different organizations 2022. Other than this, I have also been taking part in declamation contests since my schooling, organizing sports events and annual functions in my college.

After having examined the enclosed resume for detail of my qualifications and experience, I would be happy to answer the questions. Please, arrange an interview at your convenience so that we may discuss as to how my skills could contribute to your esteemed organization.

Regards,

***Rasheeda***
